

Blockhead Plays For A Ninja "Toon"

Sep 08, 2005

Before Ninja Tune releases the new album from hip-hop producer Blockhead, he will be performing at the iGames Expo September 9 at the Hammerstein Ballroom in New York to support the premiere of Cartoon Network's new animated program "IGPX." Set to air November 5, this Toonami (Cartoon Network's action block) original features a soundtrack made up entirely of Ninja Tune music. Look for Blockhead's sophomore instrumental hip-hop album, called *Downtown Science* in honor of his Manhattan hood, October 18.
