

## Al Franken Releases Party Album

Sep 30, 2005

Al Franken's wry, silly blend of politics and satire will return to record stores for another go, this time, with *The Al Franken Show Party Album*, which consists of sketches from Air America Radio's flagship program, *The Al Franken Show* (formerly *The O'Franken Factor*). Joined by a slew of special guests, such as Tina Fey, Meg Ryan, Rob Reiner and co-host Katherine Lanpher, Franken lampoons the usual suspects, i.e. Bill O'Reilly ("Bill O'Reilly's Tales of Combat") and Dick Cheney ("Senator Wolfman"), among others. The recording and Franken's new book, *The Truth (With Jokes)*, will be made available simultaneously on October 25, followed by a national tour. Last year, Franken released his first 'best of' album, *The O'Franken Factor Factor: The Very Best of The O'Franken Factor*. He's also the author of five *New York Times* bestsellers, including *Lies And The Lying Liars Who Tell Them: A Fair And Balanced Look At The Right* and *Rush Limbaugh Is A Big Fat Idiot*.
