

## VHS Or Beta: Re-release And Tour

Sep 08, 2005

While electro outfit VHS Or Beta come to a close on their UK tour, Astralwerks is set to re-issue their self-released 2001 debut album *Le Funk* on September 20, with bonus remixes of the song "Solid Gold." (Vinyl loyalists can also purchase *Le Funk*, but will miss out on the bonus tracks.) Last year, the label put out the band's second album, *Night On Fire*, to much fanfare. Following their stint in the UK date, VHS Or Beta will launch their US fall tour, sharing the stage with the Doves, the Faint and the Bravery.
